Calm down: All-natural moisturizer brings peace to the skin

(San Diego, CA) Thirsty skin needs more than a surface solution. Doctor D. Schwab® AM/PM Moisturizer from CA BOTANA actually helps increase skin cell activity while revitalizing, hydrating and soothing the skin.

Rich in active ingredients, AM/PM Moisturizer is creamy and gentle. A special blend of vitamins and herbs wakes up the skin. Cracked and sensitized skin is calmed.

Natural ingredients provide AM/PM Moisturizer with a collection of gentle and effective solutions for dry skin. Sweet Almond Oil and Soy Lecithin Phospholipids act as a free radical exchanger and skin protector. Macadamia Nut Oil, Eyebright Extract, Olive Fruit Extract and Ginseng boost the skin and help restore elasticity and firmness. Wasabi Extract, Seaweed Extract, Asparagus Root Extract, St. John's Wort Extract and Evening Primrose Oil coordinate the skin's systems against irritation. Cucumber Extract, Sage Leaf Extract and Potassium Sorbate combat any potential free radical invader.

To use:

Gently smooth onto cleansed skin in an upward and outward motion. Apply morning and evening for radiant skin.

About Doctor D. Schwab and CA BOTANA:

Doctor D. Schwab products, specially formulated all natural anti-aging products that rejuvenate and stimulate the skin, are developed and manufactured by CA BOTANA. Headquartered in San Diego, CA, CA BOTANA is a leading manufacturer of personal care products with worldwide marketing and distribution in more than 60 countries. Known for meticulous research, CA BOTANA has, for more than 40 years, studied the effects of sea extracts, plants, herbs and vitamins, integrating breakthrough discoveries with the latest skin care technology. CA BOTANA carries three product lines--Doctor D. Schwab, Sea Enzyme and Ambrosia--that serve different skin types. For more information about CA BOTANA or Doctor D.
