Get Even (Skin Tone) Using New Doctor D. Schwab Skin Lightener

San Diego, CA -- Not only age, also overexposure to sunlight make darker spots occur. You don't like the way your skin looks. Help is on the way.

To lighten spots or the overall appearance of darkening skin, Doctor D. Schwab Skin Lightener comes to your rescue.

A Liposomal patent pending formulation of a blend of Kojic Dipalmitate, Licorice (Glycyrrhiza Glabra) Root Extract, Micronized Titanium Dioxide and Zinc Oxide, Bearberry (Arctostaphylos Uva-Ursi) Extract, blended with a high % of Sodium Ascorbyl Phosphate, will brighten your skin. The unique combination of special ingredients, blended in perfect harmony, makes this Doctor D. Schwab Skin Lightener a 100% natural product.

As we say – In harmony with nature.

About Doctor D. Schwab and CA BOTANA:

Doctor D. Schwab products, specially formulated anti-aging products that rejuvenate and stimulate the skin, are developed and manufactured by CA BOTANA. Headquartered in San Diego, CA, CA BOTANA is a leading manufacturer of personal care products with worldwide marketing and distribution in more than 60 countries. Known for meticulous research, CA BOTANA has, for more than 40 years, studied the effects of sea extracts, plants, herbs and vitamins, integrating breakthrough discoveries with the latest skin care technology. CA BOTANA carries three product lines--Doctor D. Schwab, Sea Enzyme and Ambrosia--that serve different skin types. For more information about CA BOTANA or Doctor D.
