

**For Immediate Release  
December 2006**

## **Doctor D. Schwab Anti-Aging Collection: A Natural Approach to Youthful Skin**

(San Diego, CA) Today's hectic lifestyle, pollutants, free radicals and stress—environmental or oxidative—contribute to accelerated aging, deeper wrinkles and unhealthy looking skin. Doctor D. Schwab comes to the rescue, balancing skin for immediate improvements and healthier, younger-looking skin.

### **Doctor D. Schwab Herbal Foam Cleanser gives your skin a fresh start**

Healthy skin starts with proper cleansing. Light and creamy Herbal Foam Cleanser soothes and refreshes while thoroughly purifying the skin. Coconut, Thyme, Aloe Vera and Ginkgo Biloba support a thorough oil and soap-free cleansing, leaving the skin soft and moisturized. Wasabi and other natural active ingredients improve texture. Vitamin E and Citric Acid help stimulate a lightening of the skin for even skin tone.

To use: Morning and evening, apply on a clean sponge or your hand, add water and gently press to your face and neck. Massage lightly and remove with tepid water, follow with Doctor D. Schwab Herbal Toner.

### **Stay toned! Doctor D. Schwab Herbal Toner sets the stage for healthy skin**

Follow cleansing with Herbal Toner to refresh, tone and stimulate. Rich in active ingredients, this fresh-as-a-breeze toner removes any impurities and remnants of cleanser, setting the stage for a more effective skincare regimen.

Herbal Toner's natural botanical extracts help to keep your skin balanced and clean. Thyme, St. John's Wort and Hamamelis help balance pH. Sage helps keep the skin clean while reducing irritation. Vitamin E blended with citric acid refresh and tone the skin naturally.

To use: Mist Herbal Toner after cleansing, morning and evening, or as often as desired. Use a tissue or cotton swab to gently massage into the skin. Follow with G.S. Ginkgosome.

### **Ginkgosome + Time Released Nourishment Can Dramatically Enhance, Heal and Protect Skin**

Just a few drops every day of Doctor D. Schwab® G.S. Ginkgosome can provide immediate, visibly improved skin tone, texture, firmness and vitality. Advanced patent-pending micronized liposome technology dramatically enhances skin's moisture retaining capacity.

Formulated with encapsulated active ingredients including Ginkgo Biloba, Ginkgosome's 24-hour time release moisture sprinkler system helps skin heal and provides essential support for skin after medical procedures such as laser resurfacing, chemical and glycolic acid peels, or AHA abuse. It's perfect for even the most sensitive skin.

Ginkgo Biloba, Soy Lecithin and Olive Extract work together for visibly improved skin tone. Sodium and Niacin with Vitamin E and Vitamin A contribute moisture retention capabilities. A superoxide and Cell Extract help release moisture to the skin to smooth and firm. Ginkgosome also features natural anti-oxidants and free radical protectors

To use:

Apply after daily cleansing and refreshing in the morning, or as often as you like. Pat lightly and follow with moisturizer and sun protector.

### **Get your fill with new Doctor D. Schwab Ginkgo Lift with Wrinkle Filler**

Aging is not an option, but younger looking skin is. Long-acting and hydrating, Ginkgo Lift with Wrinkle Filler uses a breakthrough formula and patent pending technology for an instant visible lift. Fine wrinkles seem to disappear just 5 to 10 minutes after application.

Skin immediately begins to gently tighten after even the first application. This skin rejuvenator features Alphasomes™, an advanced technology that encapsulates Peptides, enabling penetration deep beneath the skin's surface for optimum effect. Sesame, Royal Jelly, Vitamin C and other active ingredients combine with Peptides for instant and all-day tightening and moisturizing, naturally.

To use: Smooth Ginkgo Lift with Wrinkle Filler onto cleansed skin every morning for an instant, all day lift.

### **See super results with new Doctor D. Schwab Super Repair CoQ10 Moist**

Doctor D. Schwab Super Repair CoQ10 Moist moisturizes while you sleep to help prevent and treat the visible signs of aging. This highly concentrated formulation works while you rest to replenish, repair and reduce the appearance of wrinkles.

Using natural ingredients, Super Repair visibly refines and tones skin firmness while increasing oxygen to help renew. A blend of Peptides with Alphasomes C-8 effective in fighting the effects of aging and promoting healthy skin includes CoQ10 (CoEnzymeQ10), stabilized Vitamin C and Indian Gooseberry. Other elements help lighten and whiten age spots, moisturize and tighten the skin.

To use: After cleansing and refreshing, mornings and evenings, apply Super Repair to the face, neck and décolleté. Massage lightly. For best results, Super Repair should be applied before going to sleep and after an application of Doctor D. Schwab Citrusome Night Serum.

### **About Doctor D. Schwab:**

Doctor D. Schwab natural anti-aging products, specially formulated to rejuvenate and stimulate the skin, help repair, revitalize and protect skin from the signs of aging. The line was first created by Dr. Schwab, based on his profound discoveries from 40 years of research on the internal and external use of plants, herbs and vitamins. Fellow chemist Dr. Dieter Kuster joined Dr. Schwab in his development of skin care products using the best natural ingredients available. Today, although Dr. Schwab has passed away, his legacy remains through Dr. Kuster, who continues to develop and manufacture the California-made Doctor D. Schwab line of highly effective natural skin care products. For more information, visit [www.doctorschwabCA.com](http://www.doctorschwabCA.com).
